Abstract. The abstract must be concise and a good summary of the technical note. Please note that internet search engines and bibliographic databases use abstracts, as well as the title, for information retrieval and indexation. You should leave 8 mm of space above the abstract and 10 mm after the abstract. The heading Abstract should be typed in bold 9-point Arial. The body of the abstract should be typed in normal 9-point Times in a single paragraph, immediately following the heading. The text should be set to 1 line spacing. The abstract should be centred across the page, indented 17 mm from the left and right page margins and justified. It should not normally exceed 200 words.

Keywords: Example1; Example2; Example3; Example4 (four keywords).
